

Macbook Air® Accessories Kit - MDP to VGA / HDMI® and USB 3.0 Gigabit Ethernet Adapter

StarTech ID: MACAMDPGBK

The MACAMDPGBK MacBook Air® connectivity kit is an add-on accessory bundle that extends the capability of your port-limited MacBook. The kit contains 3 StarTech.com adapter products to connect your MacBook Air or similarly configured MacBook Pro® to an external HDMI® or VGA display, and a wired Gigabit Ethernet network as needed.

Though extremely portable, ultra-thin laptops sometimes lack the necessary ports to connect to various displays/projectors and wired networks when traveling between boardrooms, trade-shows, hotels and conference centers. We designed this bundle of MacBook accessories to provide the missing connections most commonly desired among mobile users to prepare you for almost anything.

Package Contents:

- White Mini DisplayPort to VGA Adapter (MDP2VGAW)
- White Mini DisplayPort to HDMI Adapter (MDP2HDW)
- White USB 3.0 Gigabit Ethernet Adapter (USB31000SW)

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Add additional display connector support to your MacBook Air® or similarly configured MacBook Pro®
- Transfer very large files over the network with access to true Gigabit speeds

Features

- Includes Mini DisplayPort to VGA, Mini DisplayPort to HDMI and USB 3.0 to Gigabit Ethernet adapters
- Mini DisplayPort adapters support PC resolutions up to 1920x1200 and HDTV resolutions up to 1080p
- USB 3.0 Gigabit NIC supports Jumbo Frames, 802.1Q VLAN Tagging, Auto MDI/X, Checksum Offload (IPv4, IPv6, TCP, UDP) and Large Send Offload
- Compact, lightweight adapters for maximum portability
