Congratulations on your purchase

And welcome to our growing gang of savvy shoppers

We're on a mission to bring you extraordinary bathroom products, for less. From modern to traditional style ceramics, plus the gorgeous fixtures, fittings and furniture to match. So, you can fall in love with your space every single day.

As one of the UK's largest independent bathroom stores, we've received countless awards; including the National Business Awards UK, the Digital Entrepreneur Awards and being placed on The Sunday Times Fast Track 100.

We hope your new product goes above and beyond your expectations. However, should any problems occur, please:

- log in to your account and contact our customer services team via your self-serve portal – betterbathrooms.com/CustomerAccount/Login
- contact us via betterbathrooms.com/content/contact-us

Important information

- Please read these instructions thoroughly and retain for future reference
- Always check for pipes and cables before drilling

Contents

- Basin x 1

Tools required

Silicone, Drill ,Spanner

Installation

1

Check the wall for pipes and wires before drilling, drill through the back plinth into the wall in the desired location, ensuring the unit is level

2

Secure the unit to the wall using a suitable wall fixing for your wall type (fixings not supplied with unit) ie plug and screw for solid walls

On receipt of the product check for damage prior to commencement of any installation.
Damage notified after or during installation will be deemed as installation damage

3

Apply a bead of silicone between the basin and the unit
Place the basin/top onto the unit, again ensuring all parts are level
Also apply silicone at any join between the basin and walls

4

It is recommended to silicone around the base of the unit, to prevent water from passing between the unit and the floor

buyitdirect >

Leave all silicone to dry for at least 24 hours before use

Maintenance

The basin and any chrome components should be cleaned using a soft damp cloth, no abrasive cleaning agents or materials should be used, as this can affect the surface finish.

Use of any abrasives can invalidate your guarantee.

Cleaning

To maintain the surface finish of your product, wipe clean after every use, using a clean damp cloth, a mild detergent mixture can be used. Do not use abrasive cleaning agents or materials which can strip and scratch the surface; the use of these agents or materials can invalidate your guarantee.
