Waste Electrical & Electronic Equipment (WEEE)

The symbol on the product, or on the document accompanying the product, the crossed out wheellie bin symbol, indicates that this product may not be treated as household waste. Instead it shall be handed over to the applicable collection point for the recycling of electrical and electronic waste.

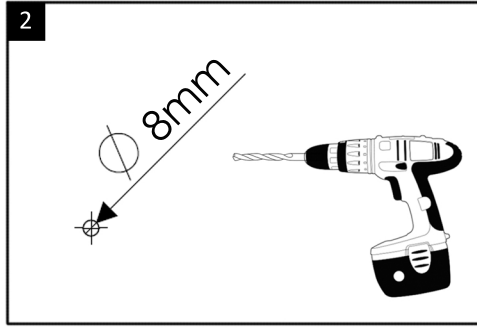

RoHS Compliant ✓ CE

Illuminated LED Mirror IP44

Installation

Carefully mark the desired location for the wall mounting screws.

Drill two $\varnothing 8\text{mm}$ holes for the wall mounting screws.

Insert the Rawl plugs and screws into the wall. Be sure to leave a gap of approximately 3mm between the wall and the screw head, so the screw is sticking out slightly.

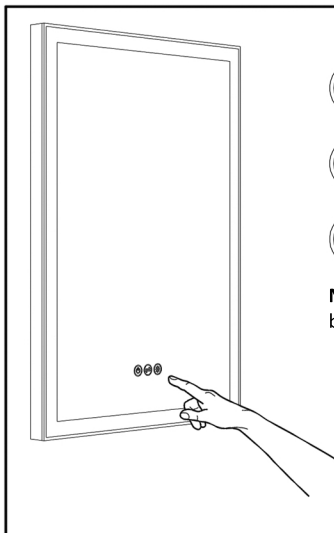

Connect the mains cable to the mains supply.
Note: Please refer to the wiring diagram shown in the Operation section of the manual.

Attach the mirror to the wall by hooking the key holes around the screws.

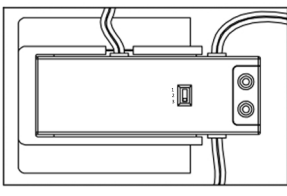

Operation

Touch Pad Buttons

-  **On/Off** - Press this button to turn your mirror lights On or Off.
-  **Colour Change** - Press this button to change the colour temperature.
-  **Dimming** - Press and hold this button to dim the light.

Note: Please make sure that the button on the back of the Touch Dimmer is set to number 3.

Product Overview

This is a stylish and unique illuminated mirror, capable of making a design statement in any bathroom.

The perimeter of the mirror face is fully illuminated, which is perfect for everyday bathroom tasks, and colour changing technology enables the mirror to switch between task lighting and mood lighting.

The touch pad located on the front face of the mirror enables complete control of the lighting, and a built-in demister pad ensures that the mirror stays perfectly clear whilst in-use.

Maintenance & Care

- Ensure that the power is disconnected prior to cleaning.
- To keep the finish of this product, wipe over with soft cloth periodically.
- Do not use harsh chemical solvents, this may dis-colour or damage the finish.
- Do not over-tighten screws on the terminal block.
